The big news we want to report to you this month concerns ULTRAMAN, and the creative team writing and drawing this 3-part epic

Due out in March, this incredible adventure—starring Japan's most famous superhero and American TV's new giant star—will boast the talents of three major creators.

The covers of these books will all be painted drawings by KEN STEACY, comic's super cover artist, and they are fantastic. Don't miss the direct comic store package of issue #1, by the way. Everyone will be talking about it! Packed in a special polybag and including an ULTRAMAN monster collector's card, the cover will be...well, sorry, but we can't yet tell you our little secret. But it's something, we promise you, that you have never seen before. Nuff said if we say to look for it and get it. It's startling and quite different from the cover that will appear on newsstands. (If ever there was a collector's item, this is it!)

The 3-part story, "Revenge of the Gudis," was written by DWAYNE MCDUFFIE, famous for his work at Marvel and for his new Milestone Media line at DC, as well as Monster In My Pocket and Back To the Future for Harvey. The fabulous and hard-hitting story picks up where the new TV series ends, and describes in full the origin of Ultraman.

Working with Dwayne, will be ERNIE COLON, whose unique and spectacular art style is perfect for the Japanese-oriented ULTRAMAN.

Better order your copies now!

Two of our other new features, the first issues of TROLL PATROL and STUNT DAWGS, are still available...if you're lucky. Grab 'em both if you see 'em.

And, folks, there's more coming. Lots more coming.

Harvey Comics, which just a few years ago meant only Richie Rich, Casper, Hot Stuff, Wendy, Spooky, Baby Huey and several more of their friends has stretched to new dimensions.

Of course, we are still (and always will be) Richie Rich, Casper, Hot Stuff, Wendy, Spooky and Baby Huey. But we are also Tom & Jerry, Woody Woodpecker, Beetle Bailey, the Flintstones, Scooby Doo,, Yogi Bear, Hanna-Barbera, Back to the Future, Saved By the Bell, Beetlejuice, Troll Patrol, Stunt Dawgs...

And now Ultraman!

And that's just the beginning.

There are many new projects underway at the moment in various areas. Several contracts have already been signed for properties that you know and love in other media and that Harvey will soon feature in comics. We'll tell you more about them in the months ahead.

There is also a whole new world coming your way of features and heroes that you've never seen before...and that, we're betting, you'll want to see for long years to come. These, too, we'll be telling you about shortly.

We do hope you're getting the idea—this is not a company standing still. Harvey is on the move in more ways that we can tell you about right now. Just keep your eyes on us...you are gonna be very happily surprised.

and we get letters...

Dear Hot Stuff,

My name is Tomi Ohe. I live in Australia. When I get my Harvey Comics I always read the letters department. By reading the letters, it sounds like Hot Stuff is pretty hot in the states, but in Australia he's even hotter! Please don't forget you've got a devoted fan in Australia!

Tomi Ohe
Australia

Dear Tomi,

I never forget my friends in Australia, Tomi. In fact, the "land down under" is one of my favorite vacation places! I love visiting the "outback" and looking at the kangaroos and all of the other unusual animals! But my favorite animals live on the island of Tasmania, Tomi—the Tasmanian Devils!

Your pal, Hot Stuff

Dear Casper,

I've been reading Casper and Wendy comic books all year long. I think they are funny. I come from Grafton, Vermont. My favorite team is the Boston Red Sox. I have a four-foot long bat from the Boston Red Sox.

Charlie Hofmann, age 4 1/2
Grafton, VT

Dear Charlie,

That's some bat you're got there, Charlie, it's probably taller than you are. We like baseball too, but the only bats we have in the Enchanted Forest are the ones with wings! Sometimes Richie invites us over to his house to play on his private baseball field! The only problem is, Charlie, all of his bats are made of 24K gold, and we can hardly lift them off the ground!

Your friends Casper and Wendy

Dear Baby Huey

How are you? I'm a Japanese girl. I have never seen such a funny baby like you! I get Harvey Comics in a Japanese book store. I'm very glad to meet you. I like your "big" diaper! What a cute duck you are! Oh, yes! Well. . . How would you like to be my brother?

Love,
"Your old sister" Kaori Katagiri
Japan

Oboy! Oboy! I got a letter all the way from Japan! I would very much like you to be my big sister, Kaori! I always ask Papa and Momma for a brother or sister, but they always tell me that our house is barely big enough for just me! I think my Papa was very glad when he heard I had a new sister in Japan, Kaori! After I broke the vase in the hall, he said he would love to ship me off to Japan!

Your pal, Baby Huey

Dear Casper,

Hello! My name is Kevin, and I am four years old. I like to read your comic books very very much. They are always so fun and exciting! I think you are very nice for always being so friendly and helpful to people. I want to help people just like you do! My mommy and daddy say that I am already a very good helper. Please say "Hello" to Spooky for me—I like him very much too!

P.S. My mommy says I should say hello to Wendy the Good Little Witch too. Mommy has read Wendy's comic books since she was a little girl!

Your friend,
Kevin Hughes II, age 4
Elizabethton, TN

Dear Kevin,

Anybody who is as helpful as you are, Kevin, is always welcome in the Enchanted Forest! Pearl is hoping that you come to visit us soon—she's hoping some of your friendliness will rub off on Spooky! Spooky's usually a little grumpy, but he smiled when we told him you said "Hello" to him, Kevin!

P.S. Wendy says to say "Hi" to your mom, Kevin!

Your friend, Casper

Dear Richie Rich and Gloria,

I like you two very very much. I hope that you two get married when you grow up. Tell Mayda Munny to be nicer to Gloria. Do you have any brothers or sisters? Your friend,

Katherine Martinez, age 8
Fontana, CA

Dear Katherine,

Neither of us have brothers or sisters, Katherine, but Freckles and Pee Wee are just like brothers! Mayda would be like a sister if only she were a little friendlier—make that a lot friendlier! But if Mayda does get nicer, Katherine, we might even invite her to our wedding! All of our fans, however, will definitely be invited!

Your friends, Richie and Gloria
